\* Required

Are you happy to participate in this survey? \*

Yes  
No

Thank you for agreeing to complete this questionnaire. The whole question can take approximately 8 minutes to answer. We are aware of the global data protection act of 2018 therefore, we assure you that the information that you are about to provide herein will only be used for the exclusive purpose of academic research. Are you 12 years old or above? \*

Yes  
No

Are you currently in Africa? \*

Yes  
No

Which Country in Africa are you in? \*

Choose

How old are you? \*

Choose

How many social media platforms/account E.g.: Facebook, WhatsApp, Twitter, Instagram, Telegram, etc. do you operate? \*

Choose

What is your gender? \*

Female

Male

What is your highest level of education? \*

No formal education  
Primary  
Secondary  
Diploma  
BSc  
MSc  
PhD

What is your religious affiliation? \*

Buddhism  
Hinduism  
Islam  
Christian  
Traditional worshipper  
None

What is your occupation status? \*

Business  
Employed  
Professional  
None

Gender \*

Female  
Male

Are you aware of all the following recommended practices for the prevention and control of the spread of COVID-19: 1) Quarantine (Self-isolation), 2) Isolation, 3) Staying at home unless it is necessary to go to work, 4) Avoiding all non-essential travels, 5) Avoiding group gatherings, 6) Limiting contact with people at higher risk such as older adults and those in poor health, 7) Avoiding common greetings such as handshakes, 8) Going outside to exercise but, close to the home, 9) Keeping a distance of approximately 2 meters from others outside your home, 10) Regular hand washing with soap and water for at least 20 seconds especially after using the washroom and when preparing food or using the alcohol -based hand sanitizer in the absence of soap and water, 11) Coughing or sneezing into a tissue or bent elbow, 12) Disposing of any tissues as soon as possible in a lined waste basket and washing hands afterwards, 13) Avoiding the touching of the eyes, nose or mouth with unwashed hands, 14) regular cleaning of tops and surfaces with the appropriate disinfectant and wearing of masks or face covering. \*
